ACTIVITIES

Department wise

KINDERGARTEN

ASSEMBLY- PERSONAL HYGIENE

ASSEMBLY- PLANT LIFE

Sept 19

Tidy And Neat..
Diseases we beat..

As part of our continuous endeavor towards achieving holistic development, an assembly on 'Personal Hygiene' was conducted on 16th Sept. by the students of KG 1 D.

Plants high and low, in
the sun they grow

The students explained the uses of different parts of the plants through a skit and conveyed the important message that plants not only make our environment beautiful but are also an indispensable part of our lives.

KG 1

HEALTHY ME WEEK

Healthy Me, Stronger Me...

KINDER READING WEEK

A, B, C.... We are the busy bee

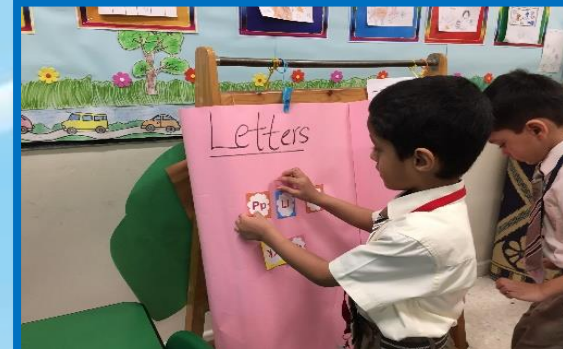

Sept 19

Yoga/Stretching Exercises

Healthy Tiffin

Sorting the letters of the alphabet

Sorting the letters and words

Health talk by Parent volunteer

Creating happy or sad tooth to distinguish between healthy and unhealthy food.

Throwing the dice and playing the sight words board game.

Sight Word - Hop Scotch

With the aim to spread awareness and to instill healthy eating habits in children from a young age , Kindergarten 1 conducted 'Healthy Me Week'.

The Reading Week was observed from 9th to 15th Sept. with a series of activities to kindle the spirit of reading amongst the little ones.

KG 1

PLANTING ACTIVITY

FRUIT ASSEMBLY

Sept 19

As you sow,
tall they grow

Apple, Pears and Grapes..
Keep us in good shape

Digging the soil and sowing different seeds such as pumpkin, eggplants, tomato and herbs and watering them , developed a sense of love for nature amongst the little ones . It helped in inculcating observational skills where the children get to see the growth of a plant – from a seed to a fruit bearing plant.

The children were dressed up in vibrant costumes of the different types of fruits and spoke confidently about the goodness of fruits thus recapitulating the benefits of eating them.

EURYTHMICS

PICTO-PLOTS'

Sept 19

Dance.. because
the world is a
stage

'PICKS FROM
PICS'

Eurhythmics is one of several developmental approaches for young children which focuses on training them to gain physical awareness and experience different types of music.

'Picto-Plots' - information collection week was conducted in KG1. Children were exposed to collecting, organizing and putting together the information through various activities.

KG 1

THINKERS WHO TINKER

YOUNG
ARCHITECTS AT
WORK

‘Thinkers Who Tinker’ - Students got an opportunity to create a Kindergarten township in the quadrangle. They created landscapes such as mountain range, forest, water body and were encouraged to come up with apt ideas to create homes for people to live in.

'Decode' Creativity

KG 2

Decode Creativity

Passionate about PIXELS

Oct 19

Students enjoyed various coding activities linking to different subjects. They decrypted the sight words, sequenced a story, decoded the puzzles and followed the instructions to solve a maze. Students had an exciting session of online coding games. They delved into a whole new world of creativity where they had an opportunity to scan the QR codes and read the messages.

It was exciting for the students to watch videos and to use their creative skills to illustrate objects as well as the letters of their name in a pixelated form. Students used MS Paint to design objects and created a model of the various objects around them using post-its to represent the pixels.

KG 2

“Ahoy Australia”

Oct 19

In an endeavor to learn more about world cultures, customs and people, the students of KG2 had a virtual tour of Australia during the month of October 2019. Various skill based activities helped them to identify the National flag, animal and flower of Australia and draw comparisons to the UAE. They discussed the Aborigines and learnt that they are the natives of Australia. Students worked collaboratively to create the famous Ayers rock, the Sydney Opera House, the national animals as well as the Great Barrier Reef of Australia which provides shelter to over 1500 different species of fish.

KG 2

Plots and Dots

The KG2 students were actively involved in yet another series of innovative activities involving “Plots and Dots”. They were introduced to the concept of representing information through simple and exciting activities. Graphing the story of “The Very Hungry Caterpillar” had the students observe and retell the story.

SAVE OUR HABITAT

Oct 19

KG2 not only traversed the entire animal kingdom, they also learnt more about animals generally found in the UAE, reasons why some animals are now extinct or endangered and ways to protect and take care of them. As a culmination of this unit the students made clay models of animals, birds and insects in their natural habitats.

KG 2

We are Veggieficient

The little gardeners of KG2 contributed in making the earth a better place to live by sowing seeds of a variety of vegetables like green chilly, okra, tomato and cucumber in the green patch near gate 6. They watered the green patch regularly and watched the little saplings grow into plants. Related activities helped them identify the importance of plants and to show respect for nature and our environment.

Parental Engagement Week We are a family

Oct 19

Parental Engagement activities not only helped enrich the skills of the students with active involvement and participation of parents, but was also an attempt to further enhance the bond between the parent and the child. They conducted art sessions, skits, organized games, and narrated stories .

KG 2

Appreciation Party

Oct 19

SECOND LANGUAGE ASSEMBLY

Peace is not Unity in similarity, but Unity in diversity, in the comparison and conciliation of differences

The students of Grade 1 presented an amazing combination of various cultures and traditions through their performances in the form of dance, speech and music.

ARABIC ASSEMBLY

Oct 19

The Arabic Language Week was celebrated in Grade 1 from 20th to 24th Oct.

Calligraphy or Ajmalkhath – the students wrote phrases in Arabic and they were judged on the basis of their neatness and expression.

Letters and word formation or Takwein al khaleemat wa al Horof – the students wrote the letters for the words given.

Identification of Emirates based on colours or Tareef al Emarat beletimad ala al Alwan – the students read the names of the Emirates in Arabic and identified them based on their colours.

ECO ACTIVITY

We are the Future!

The students collected tomato and pumpkin seeds which were used to set up an organic garden in school. A video was shown in the class to make the students be aware of solid waste management. As part of the recycling drive, they brought old newspapers, magazines, plastic bottles and aluminium cans for recycling.

EVA GREEN- BIRTHDAY SAPLING

Oct 19

Sudiksha Padigela of Grade 1 O, Arisha of 1 Z and Eva Fathimah of Grade 1 I celebrated their birthday in the month of October by donating a birthday sapling for the school garden as part of EVA GREEN initiative.

UNITED NATION'S DAY- OCTOBER 24TH

GRADE 1

GLOBAL HANDWASHING DAY 15th October

A Do-It-Yourself Vaccine

A simple activity was done in the class to demonstrate how germs spread from one person to another. A video was shown on proper handwashing techniques.

WORLD FOOD DAY 16th October

*"Our Actions Are Our Future.
Healthy Diets for A #Zero
Hunger World."*

Students created a menu plate indicating the whole day menu with the healthy food that they would like to eat.

Life Skills

Oct 19

SAY NO TO ELECTRIC HAZARDS

*Awareness on precautionary
measures*

The students watched a video on the precautionary measures to be taken while handling electric appliances. This activity helped the children to identify the potential danger from electricity .

PARENTAL ENGAGEMENT WEEK ACTIVITY

Oct 19

Tolerance – Dress up and talk

The parents along with their wards dressed up in costumes of different countries and talked about the tradition, culture, cuisine, and clothes of their country. They also explained to the students how people from different countries live in harmony in the UAE ,respecting each other's culture and traditions.

SKIT ON FOOD WASTAGE

“Take What You’ll Eat and Eat What You Take.”

The skit not only focused on the wasting of food, but also on the empathy we should show on people who do not have food to eat and the need to share the food with them.

GRADE 2

ASSEMBLY – TEACHERS' DAY

'A teacher takes a hand, opens a mind and touches a heart.'

Enacting a skit to instill values like self-discipline, gratitude, and forgiveness, and courtesy.

LIFE SKILLS

Exploring MLG

'Life begins at the end of your comfort zone.'

Sept 19

RUSH HOUR

'The best preparation for tomorrow is doing your best today.'

GRADE 3

TOLERANCE-ASSEMBLY

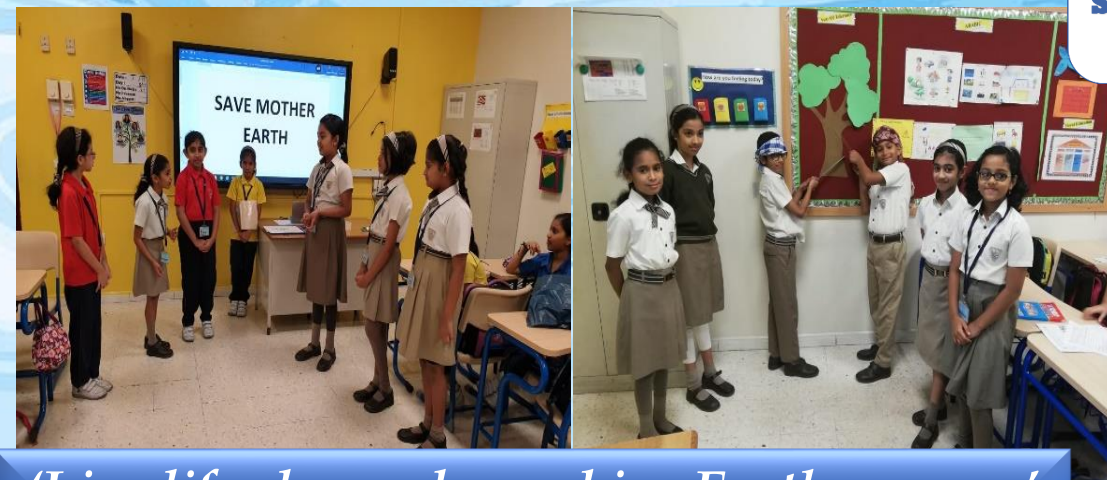

'Compassion and Tolerance is a sign of strength.'

The assembly depicted the repercussions of negative attitude towards others. It taught students to be tolerant and bridge cultural gaps. Goody bags were distributed by students to the ancillary staff, to recognize the support extended by them.

Eco Activity

Sept 19

'Live life cleaner by making Earth greener.'

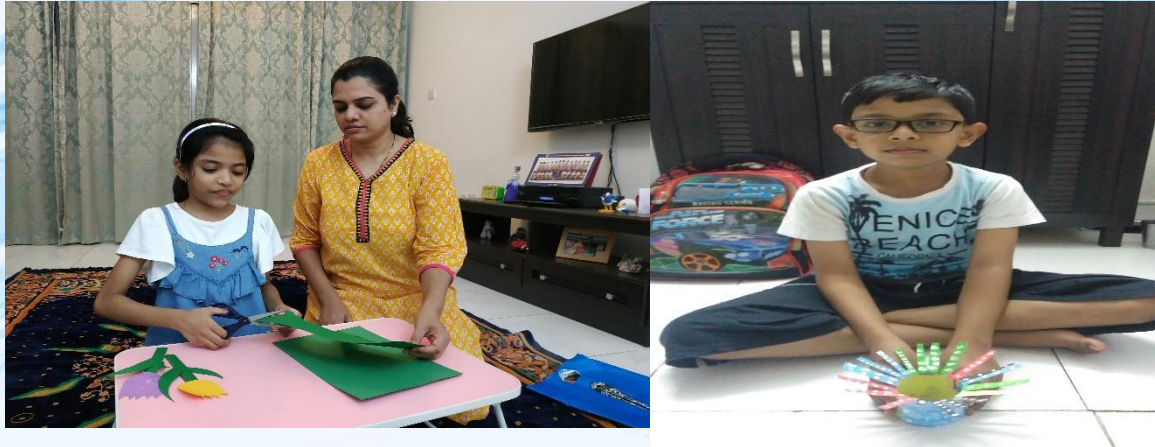

To create awareness on saving the environment, students participated in myriad of role-play activities such as save water, electricity, reduce, reuse and recycle . It was a good initiative wherein students came together to support the cause of sustaining a greener future.

GRADE 3

PARENTAL ENGAGEMENT – BEST OUT OF WASTE

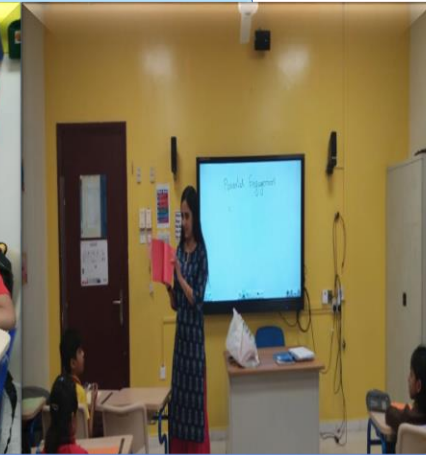

Sept 19

'Creativity is making marvelous out of the discarded'

Students used their creativity to make various decorative pieces, flower pots, pen holders etc. using waste materials

'Connecting home and school makes a great community of learners.'

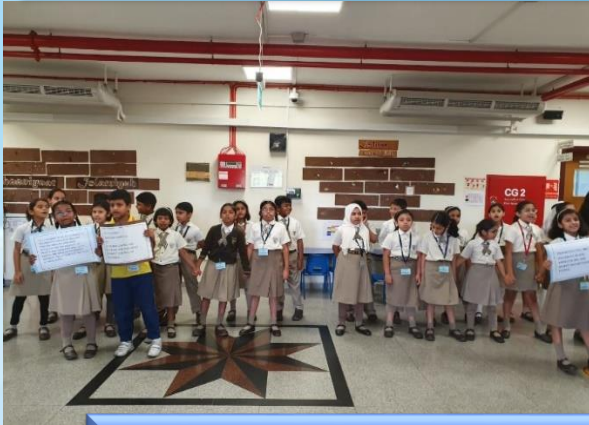

GRADE 3

Year of Tolerance-Rush Hour

Rush Hour Activity

Oct 19

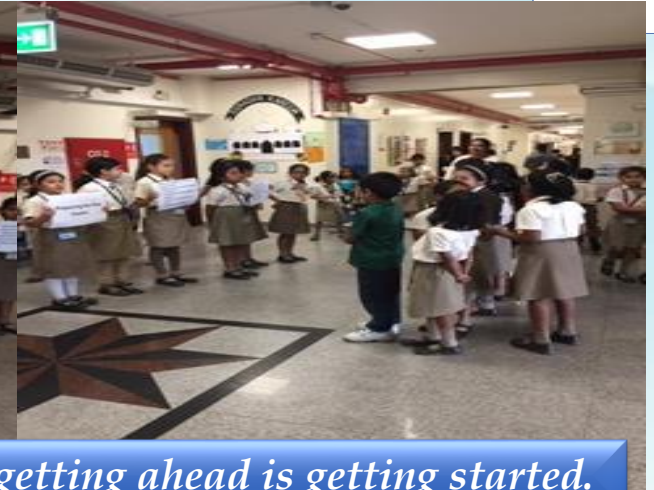

'Tolerance means appreciating and respecting differences in people.'

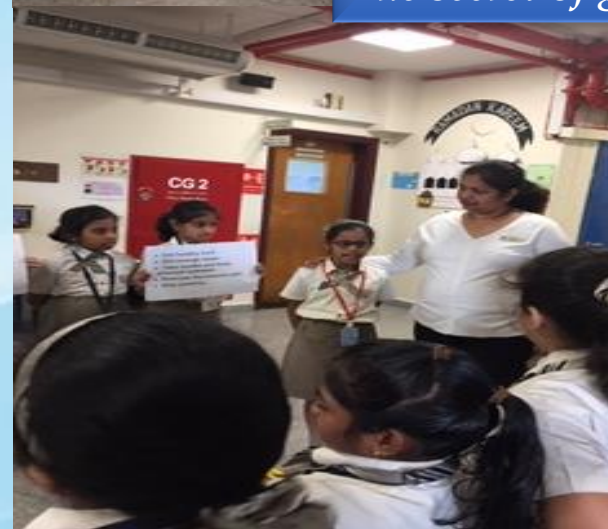

'We are the World'-Singing for a cause

Michael Jackson's song 'We are the World' was sung to emphasize the importance of the Art of Harmonious Living and to portray the U.A.E as a real life example of people living in peace and exhibiting tolerant behavior.

The secret of getting ahead is getting started.

A Rush Hour on how to plan their time effectively and to ward away the exam anxiety created a positive impact on the students

GRADE 3

'Sadd Al Fajwa'- Bridging the Gap

'To have another language is to possess a second soul.'

Grade 3 conducted a workshop titled "Sadd Al Fajwa" (Bridging the Gap) for the support staff. The objective of the workshop was to facilitate effective language acquisition.

NOT YOUR AVERAGE PINK- CAMPAIGN

Oct 19

'Let your faith be bigger than your fear.'

The students created pink bookmarks with quotes in context to 'Early Detection Saves Lives' to be given to their mothers to raise awareness on Breast Cancer during the NYAP campaign.

GRADE 3

Math Week

'Math gives us every reason to hope that every problem has a solution.'

To facilitate the students' Mathematical curiosity, 'Come And Bank with Us' exhibition was conducted and the aim of the activity was to allow the students to collaborate and communicate effectively while learning the concepts in a fun way with real life application.

*Come
and
bank
with us*

Life Skills Report

Oct 19

'By failing to prepare, you are preparing to fail.'

Traffic Rules

To promote knowledge and understanding of traffic rules and to strengthen personal safety, Grade 3 conducted a life skill session on Traffic Rules .

GRADE 3

Gandhi Jayanthi Assembly

"The best way to find yourself is to lose yourself in the service of others." – Gandhiji

Tribute to the Father of Our Nation

An assembly was conducted to celebrate the 150th birth anniversary of the Father of the Nation, Mahatma Gandhi. The students presented a medley of thoughts, ideas and expressions through an informative skit which reflected the importance of non-violence. A quiz on Gandhiji's life was followed by a dance and a group song.

ARABIC WEEK ASSEMBLY

Oct 19

'Language shapes the way we think, and determines what we can think about.'

Presenting a string of thoughts on sports

The students performed a skit based on 'Sports' where they presented a string of thoughts, ideas and expressions. They also sang a song on the importance of sports..

GRADE 3

In Expo 2020 week, the students explored the theme of 'Sustainability Awareness. They brought pictures related to the topic and stuck them on the paper plates.

'Empathy is seeing with the eyes of another, listening with the ears of another and feeling with the heart of another.'

Grade 3 conducted an assembly on 'Empathy' to encourage the students to say kind words or do something helpful through an inspiring and informative skit based on empathy and compassion.

CHILDREN'S DAY ASSEMBLY

RUSH HOUR

'The best preparation for tomorrow is doing your best today.'

Grade 3 students, reached the audience through a melodious Hindi song depicting the contribution and strength of Mahatma Gandhi in the freedom struggle.

STEAM Activity

'Live life cleaner by making Earth greener.'

Nov 19

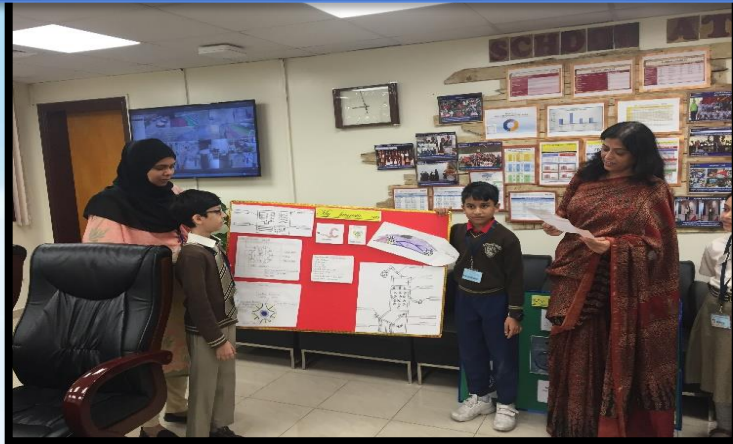

The students of Grade 3 created an air cooler that runs without electricity, using bottles. The main aim was to involve the students and develop their problem solving, creative and analytical thinking skills through hands on activity.

Gifted & Talented

Nurturing the needs of Gifted and Talented

'Every accomplishment starts with the decision to try.'

To academically nurture the needs of gifted and talented students, the G&T students of Grade 3 designed a futuristic car keeping in mind the technology they would use to construct the engine of the car. The students researched and constructed a model of the Futuristic Car and discussed its marketing strategies.

Life Skills Training

Nov 19

SAFETY
RULES TO
KEEP ALL
SAFE

'Children must be taught how to think, not what to think.'
