**Circular to Parents of Students – Grade X**  
**Pre-Board Examination – March 2021**

**Dear Parents,  
Greetings!**

Keeping in mind the recent updates from CBSE with regard to the conduct of the Board Exams in May 2021 and also the current situation of the pandemic, the school has decided to conduct one more pen and paper test onsite for the students of Grade 10 in the month of March 2021. This will help students to better their performance as they would get enough practice in writing an 80 marks test.

Please note the best out of the 3 pen and paper tests conducted onsite (Model Exam- Nov 2020, Common Rehearsal Exam- Jan 2021 and the Pre-Board Exam March 2021) will be considered for Grade 11 stream allocation.
