ADMISSION 2021-2022

Dear Parent

This is to remind you that admission process for the academic session 2021-22 for all grades is open.

We recognize that parents prefer to send their children to a school which provides an enriching learning experience, and is also near their residence; hence, to smoothen the admission process, we request you to share this information with the wider community - friends and extended family to contact the school for admission to help us rationalize student numbers.

Thank you for your support and understanding.

Wishing you a blessed 2021.

Happy New Year!

Regards
