It is indeed an exhilarating feeling to witness a large number of girls achieve the set target with continued diligence and perseverance. We wish them the very best; and hope they will grow with every experience and face the challenging world outside the school portal with fortitude.

I also express my deep appreciation and gratitude to all the teachers for their endless guidance, mentoring, tutorials, & follow up throughout the year. Undoubtedly, this stupendous achievement would not have been possible without the support and understanding of the parent community. I thank you all for the trust and confidence you have in us.

Regards
