

CTP-OOS/2023-24/03

25th April 2023

Dear Sir/Madam,

At Our Own English High School Sharjah- Girls, we celebrate the gifts and talents of all our students and endeavor to provide various platforms to encourage students to further enhance their talents. The goal is to make provisions for the holistic growth of our children and equip them with the knowledge and skills intrinsic to competing in a global community. Following the success of the previous academic year, we are happy to inform you that we will be providing After School Clubs for Enrichment (ACE) with a range of additional activities. The Enrichment Club activities will not only develop their soft skills but they will also provide engagement and recreation which are so vital for student wellbeing.

We aim to offer a structured environment that fosters good health and gives children the option of attending an after-school program. The programs have been designed to provide opportunities to engage students in activities that challenge them to apply their creativity and develop skills in Abacus, Robotics and Sports. Some of the new additions include

- Arabic Calligraphy
- Photography,
- Quick Math,
- MUN,
- Culinary Skills,
- Craft,
- Creative Dance art form, and
- Needle Work.

Experienced trainers and coaches enhance the After-School Program to the highest possible standards. The mode of transaction will be onsite to ensure that the students get the benefit of a program that will add value. The program is available at a nominal cost of AED 350 per student for 15 sessions. The timings will be between 3.00- 4.30 pm

Please find attached the brochure highlighting the details of the programs available from May 2nd 2023. Please note that you can only choose one program as batch sizes are restricted. Club options will be provided on a 'first come' basis. If you are interested in availing this opportunity please register on Parent portal by 30th April 2023:

- To complete the online payment and registration, visit your Parent Portal-GEMS Connect on www.gems.ae
- Proceed to 'Requests' to 'Enroll in Activities'.
- Select the correct option accordingly

- Proceed with the payment

Please note the following important points prior to registration:

- Review the prospectus carefully before making your selection as no changes between clubs will be entertained once the payment has been processed
- The registration amount is non- refundable if a child has already attended a session.
